Get your red-hot hot dogs here! Life Works is now operating concession stands in City Parks!

Life Works is a local program that gets results for families on low incomes who want to increase their self sufficiency.

In partnership with City of Asheville Parks and Recreation, Life Works and their Customer

Advisory Committee are now operating concession stands in two of the city parks: River Link Park on Amboy Road and Martin Luther King Park.

Proceeds from the concession stands help children and families of Life Works to:

- Improve school performance through partnership with Sylvan Learning Center
- Attend children's summer camp
- Access community support groups and gain information regarding general services available in the community, such as homework assistance, health services and nutrition services

The concession stand provides a training opportunity for Life Works participants. It is operated on a voluntary basis by current and former Life Works customers and other community volunteers as an opportunity to give back to the community.

Grab a treat and help these families improve their life and their children's lives!!

Please contact us to learn how you can help this project.
